

**Bay Creek Park** is home to **GAA's Special Populations Program** and **Unity Place**. **Unity Place** is a very special baseball field and playground equipped to serve the needs of children with disabilities uniting **ALL** youth with and without special needs in recreational fun.

**The Special Populations Program** is a non-profit organization and currently has over 300 members, coming from all over Gwinnett County, offering baseball, basketball, cheerleading and soccer. We rely heavily on the generosity of sponsors to keep our program affordable to all participants. We would like to give you an opportunity to become a sponsor of **GAA's Special Populations Program** and to share in our mission to ensure that children with disabilities have the chance to play recreational sports. Your contribution will go directly towards reduction of player fees, scholarships, equipment, trophies, banquet and the buddy program.

Thank you in advance for supporting the youth of Gwinnett with disabilities.

Sincerely,

Cathy Smith  
Director of Special Populations Program
